

# Logistics

## Value Stream Analysis

### WHAT?

We will create an improvement vision for your logistics department. By working alongside your team, we will understand the current state of the logistics processes, design the value stream vision and define an implementation plan to achieve the desired results.

### WHO?

The workshop team should be composed of the Operations managers along with the leaders of all areas that have an impact on the logistics processes under review.

### ESTIMATED BENEFITS

**30-40%**

reduction in **stock level** of finished products and raw materials

### HOW LONG?

We will work in intensive workshop sessions, over a period of one to two weeks, depending on the scope.

**20-30%**

increase in **direct labour productivity**

**15-30%**

increase of **on-time deliveries**
