

# Projects & Development

## Value Stream Analysis

### WHAT?

We will create an improvement vision for your projects managements. By working alongside your team, we will understand the current state of the development processes, design the value stream vision and define an implementation plan to achieve the desired results.

### WHO?

The workshop team should be composed of the development managers along with the leaders of all areas that have an impact on the project under review.

### ESTIMATED BENEFITS

**30-40%**

decrease in **time to market**

**10-15%**

decrease in **total project costs**

### HOW LONG?

We will work in intensive workshop sessions, over a period of one to two weeks, depending on the scope.

**15-20%**

increase in **resource productivity**
